"I've gotta have it. It's absolutely beautiful. You've gotta keep playing it..." — WRNS LISTENER

Country's Top 20 Adult Stations

To paraphrase the oft-quoted golfing mantra, "12+ is for show, 25-54 is for dough." Most of what you see printed is the 12+-beauty pageant. But this week's "look behind the 12+" offers Country's Top 20 stations ranked by 25-54 AQH Persons, as compiled by Cumulus VP/Audience Measurement **Charlotte Lawyer**. Country Aircheck's final 2006 **Music Edition** with charts will be published on Monday, December 18, with publication resuming on January 8, 2007. Regular publication of **Country Aircheck Today** will cease with the Thursday, December 21 issue, and resume on Thursday, January 4.

Honorable mention at No. 21 is WIVK/Knoxville, TN (Citadel), which is in Market 71 and boasts 9,600 AQH persons, good for No. 1 in Knoxville.

Hodges Climbs Capitol Hill

Capitol/Nashville Sr. Dir./National Promotion **Steve Hodges** has been named VP/Promotion for the label, reporting to Sr. VP **Jimmy Harnen**. The move, first tipped in the October 5 **Country Aircheck Today** and confirmed in a Breaking News email this morning (11/13), comes in advance of the long-rumored second imprint Capitol is expected to launch.

"Steve's my promotion partner, my friend and one of the smartest executives I have ever had the pleasure of working with," Harnen says. "He gives 110% all of the time. There could be nothing more fitting or make me happier than this very well deserved promotion."

Hodges joined Capitol in 1994 as Midwest regional before moving to Southeast and eventually the national post. Prior to label life he served as PD at KDDK/Little Rock and MD at KIKX/Little Rock.

Baccerstick Records Launches

Nick Pellegrino, Kerry Bay, Heather Bay and Jeanine Pellegrino are partners in the new label Baccerstick Records. Nick Pellegrino serves as President, with Kerry Bay acting as CFO/Director of Operations. Heather Bay and Jeanine Pellegrino will handling creative services and artist development. Whither Clear Channel?

Two private equity groups were expected to make bids for Clear Channel Communications on Monday. One consortium consists of Providence Equity Partners, Blackstone and KKR while the other has Bain Capital, Thomas H. Lee Partners and Texas Pacific Group as partners.

While not professing to understand what it all means and how it might eventually play out, it is interesting to **Country Aircheck** that Blackstone, KKR and Thomas H. Lee Partners are among the six private equity groups that recently combined to purchase VNU. Included in that group's vast global holdings are *Billboard*, *R&R*, *Soundscan* and *BDS*.

VNU was sold for about \$9 billion in cash while CC's value is estimated at \$17 billion.

Borat Goes Country In Roanoke

The radio banner (pictured) you're seeing in the movie trailers and in the new film *Borat* belongs to WSLC (94.9 Star Country)/Roanoke, VA. Its 15 seconds of fame come during a scene where Borat begins to sing the National Anthem and then addresses the crowd. Those

familiar with Borat -- comedian Sacha Baron Cohen's offbeat fictional character from Kazakhstan -- and the whole bit probably won't be surprised to learn that neither the folks at WSLC nor the rodeo knew they were part of a major motion picture. The rodeo was a real event, and Borat was portrayed to the organizers as a real person.

WSLC APD/MD/morning co-host **Robynn Jaymes** told **Country Aircheck**, "Borat came to [a local] rodeo last year in-character as a dude who was touring the States doing a documentary. We didn't have much to do with it, but the rodeo folks told us they were told Borat's life-long desire was to sing the National Anthem in the USA.

"So Brett (PD/morning co-host Brett Sharp) and I did our 'Hey y'all glad you're here, welcome to the rodeo' -

- and then here comes Borat.

(Yeah, we are idiots -- we didn't recognize him). I guess it was the point where he said 'May George W. Bush drink the blood of all the men, women and children of Iraq' that we knew we were in trouble. Brett was telling the sound guy to pull the plug, but he just froze. So Borat gets through the entire

monologue and the whole place is ready to riot. It really got very ugly.”

Jaymes said that even by the time Borat left the stage, they weren't 100% sure what had happened. “By the end it was pretty obvious we had been had,” she said. “We searched the net that night and learned all about Borat and figured it was likely going to be on the big screen.

“We never signed any waivers; just the rodeo folks did. The fellow who brings the rodeo to town every year seals a deal with a handshake. He was clueless as to the real intentions of the crew. Brett's disappointed that they don't actually show us in the movie. I'm relieved, though. I was on stage swearing ‘what the #@!@ is going on here?!’ and my mother wouldn't have appreciated that.”

CRS-38 Studies Hispanics; Bon Jovi Keynotes

CRB and Edison Media Research are collaborating on the first-ever study of Hispanic Americans and their relationship to country, to be presented during CRS-38. The study will focus on Census statistics and Arbitron data, as well as an original nationally-sampled survey of Hispanic Americans aged 12-49. The new study will not supplant a third installment in the P1 study that has been presented at the last two seminars.

The keynote speaker for CRS-38 will be **Jon Bon Jovi**, who will be interviewed by WSIX/Nashville morning host Gerry House on CRS Thursday, March 1 at 10am. Says House, “If there is ever a time you want to be invisible on stage, always do it beside Jon Bon Jovi. I could be naked and no one will notice.”

Early Bird registration for CRS-38 ends Nov. 30, with the rate rising from \$499 to \$530 at that point. Register at www.crb.org.
