Final Five Join PPM Fray

As December came to a close, **Arbitron** delivered the last quintet of new PPM metro ratings, reporting first-time currency data for Greensboro, Jacksonville, Memphis, West Palm Beach and Hartford. Listed by market size, you'll see figures for the period of Nov. 11-Dec. 8, with the new metros first, followed by six experiencing their first December meter month. As always, the data is persons 6+, Monday-Sunday, 6am-midnight, with rankings in parentheses. Ratings issued earlier last week are available on our [website](#), and if you've got a story to tell beyond the boxcars, email us [here](#). Owing to numerous Christmas-formatted stations, December was not favorable to Country overall, and you'll find a full recap of December's PPM results on page 9. We'll report on the Holiday ratings (Dec. 9-Jan. 5) as they're issued, starting Jan. 25.

Greensboro: Entercom's **WPAW** is the new format leader, moving 7.4-7.7-7.2 (4-2t-5). Its Dec. cume was 256,000 (9), down fractionally from Nov. (5) and off 6.4% from Oct. (5). 'PAW's four-book diary average was a 5.7, with a Fall '09 cume of 153,000. Clear Channel's **WTQR** shifted 4.1-4.3-3.7, ranking No. 10 each month. Its Dec. cume was 294,700 (7), down 9.4% from November (6) and off 34,300 (-11.8%)

Keith, "focusing on airplay with a more radio-specific creative/marketing slant," she explains.

Durham tells **Country Aircheck**, "I just didn't want to travel 300 days anymore. This change is a total positive – it's the best of both worlds. I'll continue to work with the artist and people I love, doing a job I love, but with a greater creative element. There are endless possibilities working with a superstar who has the brand power that Toby does. Plus, two goals that I'll be aiming for now that my travel will be less – No. 1: Get a dog. No. 2: Maybe even a date. Let's just hope that they're not one in the same."

Durham was working with Uni Distribution in Dallas when she joined DreamWorks/Nashville for Southwest regional promotion in Jan. 1998. Keith was on the label's artist roster at the time. She moved to NE promotion in Sept. 2003 and joined Show Dog when Keith launched his own imprint in Sept. 2005. She can be reached at 615-828-9493 or at Suzanne.Durham@msn.com. The SDU NE post is expected to be filled from within.

CRB, CMA, Coleman At CRS

CRB and the CMA will present at CRS 2011 a new **Coleman Insights**-led research project focusing on new media usage among not only country's music primary 18-54 radio listeners but also perceptions of those trends among programmers, managers, artists and other country executives. Consultant and CMA board member **Rusty Walker** noted, "It will be interesting to see how accurate we are in predicting the popularity of new media in the daily lives of our listeners. I'm betting there will be some surprises there."

Conducted this month, the study will analyze the awareness, interest in and usage of new media devices, social media, smartphone apps and station/artist websites among country consumers. It also will address music consumption, interaction with and purchase of music via new media outlets, radio listening vs. television and Internet usage and adoption trends of Netflix, Skype and texting. The presentation takes place Thursday, March 3 at 11am in the Nashville Convention Center.

Remembering SLC Legend Henry Hilton

Salt Lake City radio pioneer **Henry Hilton**, patriarch of Classic Country and Country combo **KSOP-AM & FM**, passed away Dec. 31 from injuries sustained in an auto accident Dec. 21. He was in his mid-80s.

Henry Hilton

A former salesman at crosstown KSL, Hilton decided in early 1955 to go into radio for himself, and with an engineer built a cinderblock building, installed neon call letters and put **KSOP-AM** (which stands for Salt Lake City-Ogdon-Provo) on the air.

PD **Deb Turpin**, who grew up listening to **KSOP-AM** and "Happy Hank" because her father loved the station, has been there 23 years; her first job was mowing **KSOP's** front lawn. Turpin tells **Country Aircheck** that Hilton also was an important Country impresario. "He brought in his good friend Johnny Cash, and once had to go to the bank to verify that the man standing there with his check was actually him because the bank teller didn't believe him. In the '60s, Henry also brought Roy Clark, Glen Campbell, Hank, Jr., Marty Robbins, Hank Snow, Hank Thompson, and Charley Pride to town. He was the only Country game in town, and was as much a promoter as a

MY TUNES: MUSIC THAT SHAPED MY LIFE

Bob Kingsley

Bob Kingsley, the *Country Top 40* host, discusses his most influential songs, albums or concerts:

1. **Louis Jordan/Saturday Night Fish Fry:**

As a very young boy I was going through a box of old records someone had left at our house and discovered Jordan's "Saturday Night Fish Fry." That was the first time a song just reached out and grabbed me. I listened to it endlessly.

2. **Bo Diddley/Bo Diddley:** While walking downtown one day (it was safe back then), I heard the tune "Bo Diddley" blaring over a jukebox. I had a pocketful of coins and I spent every nickel (it was cheap back then) listening to that song over and over.

3. **Merle Travis, The Ashgrove, Los Angeles, 1966:** Up until that time I had no idea that a guitar could sound like that.

4. **Waylon Jennings, The Palomino, North Hollywood, 1967:** The electricity in the air was palpable that evening, and I remember the feeling to this day. I knew he would be a superstar.

5. **The Rolling Stones, Long Beach Arena, 1972:** Simply amazing!

• **A highly regarded song or album you've never heard:** *La Boheme* by Puccini. And I'm fairly certain I never will.

• **An "important" piece of music you just don't get:** With the exception of "Money," the entire album titled *Dark Side Of The Moon* by Pink Floyd. It's out there.

• **An album you played or listened to incessantly:** Actually there are three: *Modern Sounds in Country and Western Music* by Ray Charles, *Folk Country* by Waylon Jennings and *Sweet Baby James* by James Taylor.

• **One obscure or non-country song everyone should listen to right now:** "Get Together" by the Youngbloods.

Airshifts were hard to come by at **KSOP**. Hilton once turned down Waylon Jennings as a DJ because he wasn't locally known, as well as Johnny Paycheck, even though he hung around the station for a week.

Jacksonville: It's a much closer race in PPM here. CC's **WQIK** slipped 7.5-7.0-6.8 (5t-5t-6), with its Dec. cume of 307,300 (6) down 1.9% from Nov. (4) and 1.7% off from Oct. (4). in Dec. (8-9), down 5.5% from November (8), but up incrementally from Oct. (9). Its four-book diary average was a 5.6, and its Fall '09 cume was 152,700. First Ventures **WVIM**'s first three months were 0.1-1.5-0.9 (33-17t-22). Its Dec. cume was 44,500

(21) (-12.9%), but far above its 9,300 in Oct. (31). **WVIM**'s four-book diary average was a 0.9, with a Fall '09 cume of 33,300.

West Palm Beach: CBS Radio's **WIRK** benefited nicely from PPM, rising 5.2-5.9-5.9 (5-4-5). Its reach decreased a fraction to 199,200 (7) from Nov. (7), but was up 1.6% from Oct. (6). **WIRK**'s four-book diary average was a 4.7, reaching 89,700 the prior autumn. Beasley's **WKIS/Miami** moved 1.6-1.4-1.4 (19t-22t-21t). Its Dec. cume was up a tad to 96,100 (19) from Nov. (20) and 3.2% better than Oct. (20). **WKIS**' four-book diary average was a 1.1, with 51,800 cume in Fall '09.

Hartford: CC's **WWYZ** is also much stronger in PPM, scoring 8.5-9.2-8.9 (3-2-2). Its cume dipped marginally in Dec. to 259,700 (7) from Nov. (7), and was down 3% from Oct. (7). **WWYZ**'s four-book diary average was a 6.7, with a Fall '09 cume of 184,400.

The following markets reported their first Dec. PPM ratings:

Austin: CC's **KASE** gained 7.8-7.9, but after five consecutive No. 1 months, slipped to No. 2 behind the Univ. of Texas' Variety-formatted **KUT**. **KASE**'s cume declined 4.9% (4-4) to a PPM low. Sister **KVET-FM** shed a tenth to a PPM low, 4.7-4.6 (10-9t). Following back-to-back record cumes, its reach was off 5.3% (8-8).

Indianapolis: Cumulus' market champ **WFMS** gained 10.6-10.9 and continues to lead by a half-share. 'FMS raised its cume 4.7% to near a PPM high and did set a new cume rank peak (3-2). Emmis' **WLHK** decreased 5.5-5.0 (6t-8); both share and rank are PPM lows. However, its audience grew 8.1% (7-3).

Providence: Hall's **WCTK** was off 8.3-7.6 (3-5); those figures also are PPM lows. Its reach expanded 1.8% (6-6).

Raleigh: Curtis' **WQDR-FM** declined for the fifth consecutive month, 7.2-6.8 (5t-6); the share and rank are PPM lows. Its cume dipped by a fraction (4-4). As for the money demos, Station Manager/PD **Lisa McKay** tells **Country**

Aircheck, "With 25-54 adults, 'QDR is No. 2 to WRAL.'"

Norfolk: Max Media's **WGH-FM** was down 6.0-5.1 (5-8), also PPM lows. After a record November, **WGH-FM**'s cume was off 7.6% (11-10) to a PPM low, as well. Sinclair's **WUSH** decreased 4.2-3.6 (11-12), and also experienced a cume low, down 37,300 (-16.9%) (12-13).

Nashville: After back-to-back PPM lows, Citadel's **WKDF** rebounded 4.5-4.9 (9t-8) to win the format battle for the first time since PPM started here in July. Its cume grew 3.6% (7-6) – the only Country station to gain 6+ audience here. CC's **WSIX** decreased 5.8-4.8 (6-9); the share and rank are PPM lows. Its cume declined 9.5% (5-7). Following two straight PPM lows, Cumulus' **WSM-FM** jumped 2.6-3.3 (15t-15). Its cume was off a fraction (8-8). Gaylord's streak of four record-setting PPMs for Classic Country **WSM-AM** came to an end, as it slowed 4.2-3.6 (11t-12t). Its cume was down 8,600 (-10.3%) (20-20).

Following up on ratings posted earlier, Entercom Director/Country Programming and **KWJJ** PD **Mike Moore** tells **Country Aircheck**, "We started to see the signs of Christmas music, as market-leading **AC KKCW** exploded 25-54, going 7.5-12.3. Meanwhile, **KWJJ** (The Wolf) was off slightly 25-54, moving 5.2-5.1 (4). **KUPL** cracked the top 10 for the first time in a year, going 4.0-4.2 (8)."

Alpha/Portland Director/Music Programming **Scott Mahalick** reports **KUPL** did especially well with younger listeners. He tells us, "KUPL owns the key record-buying, concert-going 18-34 demo for Country, with a 5.2 share for **KUPL** and a 2.5 for **KWJJ**. Our night show with **B-Dub** is winning now in every demo. This is important because Portland is the home of the nationally syndicated Alan Kabel show, so to beat them on their home court is strong. And when you add the **KUPL** stream, we sit at a 4.2 share 6+."

And **WCOL/Columbus, OH** PD **John Crenshaw** reports, "Among 25-54s, **WCOL** goes 9.0-7.9, which is good for third. Our all-Christmas **WLZT** shifted some audience around the ranker, but we remain strong with a 10.0 (2) in morning drive, third in middays and afternoons. In fact, no daypart is below fifth. I'd also like to give a tip of the hat to our closest Country competitor, **Joe-Patrick**-consulted **WCLT**, who is up 18% book-to-book, 1.7-2.0."

December PPM Scoreboard

It's been three cold months in a row for Country radio in PPM. Of the 91 stations with generally a 1.0 or better 6+, decliners led gainers 49-29, with 13 stations unchanged. There were 15 experiencing PPM share lows, while three scored PPM share highs: **WUBL/Atlanta**, **KWOF/Denver** and **WWKA/Orlando**. In cume, decliners led gainers 60-31. There were 17 stations posting PPM cume lows, while seven generated PPM cume highs.

KKBQ/Houston and **WQYK-FM/Tampa** both increased share for the third book in a row, while Classic Country **WZBK-FM/Milwaukee** and **WKMK/Monmouth** (in Middlesex) both delivered their third straight cume increases and new highs.

The December "Book Of The Month Club" winner is Cumulus' **WSM-FM/Nashville**, which jumped 2.6-3.3, followed by **KNIX/Phoenix**, **WQYK-FM/Tampa** and **WWKA/Orlando**, each of which gained 0.6 share.

KELLY PARKES

"NOTHING"

"Kelly Parkes is the REAL DEAL...and I mean to put that in capital letters. Our listeners here in New Hampshire and Vermont are thinking of 'Nothing' else besides Kelly. If you are looking for lyrics, and a voice, that make an impact... put Kelly on your radio station!" - **Justin Tyler, Operations Manager/Program Director, Upper Valley Radio, WXXK-FM**

"Little gal with a big voice and she knows how to use it. The future of Country Music is looking good with new artists like Kelly coming along!" - **Barry Kent, WTHI/Terre Haute, IN**
