Get Your Motor Runnin'.....

Radio By The (CRG) Numbers

One of the ways music stations define themselves is through their Current/Recurrent/Gold (CRG) ratios. These balances aren't arbitrarily concocted, of course, but are carefully calibrated for strategic positioning. CRG ratios can be honed to skew a station's sound modern or traditional, target particular demographics, position Country combos in a cluster or surround the competition, among a myriad of other rationales.

This week we provide a national backdrop of CRG percentages at the **Country Aircheck/Mediabase** reporting stations to serve as a comparison for your total airplay library music mix.

Our 121 reporters have an average Current Percentage of 34.9%, a Recurrent percentage of 24.3% and a Gold percentage of 40.8%. The median – meaning half of the reporters are above and half below the number – is 34% for Current percentage, 25% for Recurrent and 41% for Gold.

Of the 121 Country reporters, 36 have Current percentages above 50%, 59 are above 35% and 86 are above 30%. Our panel's highest Current percentage belongs to KBEQ/Kansas City and KJUG/Visalia, CA at 52%. But high current percentages aren't just for specially positioned stations or small markets, anymore. The Current percentages among some of the top-rated and most-respected Country outlets in the USA:

>45-50%: WDAF/Kansas City, WGKX/Memphis, KFRG/Riverside, CA, WBEE/Rochester, KDRK/Spokane.

>40-44%: WKHX/Atlanta, WYRK/Buffalo,

NEW REPORTING PANELS

Country Aircheck's reporting panel of **Mediabase**-monitored stations will now include **WUBL/Atlanta**, **WYAY/Atlanta**, **KATC/Colorado Springs, CO**, **KWLI/Denver**, **WPAW/Greensboro, NC**, **WBUL/Lexington, KY**, **KKGO/Los Angeles** and **WMAD/Madison, WI**. Myers, FL**, **WIOV/Lancaster, PA** and **WMZQ/Washington, DC**. **KQFC/Boise** and **KXKC/Lafayette, LA** are now part of the CA Activator panel as part of a new policy that results in one main-panel reporter in markets 101+. That reporter will be the market's 25-54 leader, while the other ratings and current percentage qualifying station will be part of the Activator panel.

Stations added to the **Country Aircheck Activator** panel are (bolded stations are monitored by Mediabase 24/7): **KBCY/Abilene, TX**; **KBRJ/Anchorage, AK**; **WQCB/Bangor, ME**; **KQFC/Boise, ID**; **KHAK/Cedar Rapids, IA**; **WAXX/Eau Claire, WI**; **WLXX/Lexington, KY**; **WLWI/Montgomery, AL**; **KHAY/Oxnard-Ventura, CA**; **WXXQ/Rockford, IL**; **WJCL/Savannah, GA**; **KRMD/Shreveport**; and, **WQXK/Youngstown**.

LOVE, PAIN & THE WHOLE CRAZY WORLD TOUR HITS THE U.S.!

"The concert in San Diego shows that Keith's music and performance has morphed from a mere concert to an entertainment event. I can truthfully say it's one of the best shows I've ever seen."

- John Marks - PD KSON/San Diego

"48 hours after the show, Keith's incredible performance was still being praised by staff and listeners. The energy, the production, the musicianship, and the connection with the audience are all far beyond what a typical concert experience gives you these days. Simply fabulous!"

- Mark Evans - PD KNCI/Sacramento

"Keith has kicked it up to another level. It's a rare artist that can own 10,000 fans, yet at the same time make every person there think that the show is just for them"

- Steve Pleshe - PD KSKS/Fresno

"I have seen Bruce Springsteen over 25 times and Keith's show was on the same level as the "The Boss." From start to finish it was tremendous...the video, the sound, the energy, the crowd and the cell phone wave. I think Keith Urban is on a different level."
