NEW ADDS THIS WEEK: KIIM, WBEE, KQFC, KIXZ, WHKX!

King To Nashville As Wolf PD

Cumulus/Lexington, KY Co-OM, Active Rock WXZZ PD and Country WLXX (The Bear) PM driver **Kevin King** has been named PD of WSM-FM (The Wolf)/Nashville. He starts April 4 and succeeds **Buddy Van Arsdale** who left in March for the PD post at Cox WKHK/Richmond.

Cumulus/Nashville Market Manager **John Columbus** said of King, "Kevin did a great job at WKKT/Charlotte and in Pensacola, and I know he'll do a super job with The Wolf."

This is the latest in quite an odyssey for King, who left WYCT/Pensacola, FL in Sept. 2006 to program Cumulus' WYGY/Cincinnati. A month later, Cumulus traded WYGY to Entercom (which has since traded it to Bonneville) and in Dec. moved King to Lexington. His programming background also includes stints in Little Rock, Harrisburg, Richmond and Grand Rapids.

PPM Quantifies The "Phantom Cume"

The latest Arbitron Portable People Meter report for Philadelphia begs the question: Will PPM will do for Country radio what Soundscan did for Country record sales in 1991? Back then, having actual piece-count figures showed Country album sales had been grossly under-reported in the retail reporting system in place at the time. Will the PPM soon show that Country radio's "phantom cume" not only exists, but may well be even larger than we've all suspected?

WE'VE MOVED

Country Aircheck is now at 1102 17th Avenue South, Suite 205, Nashville, 37212. New phone is 615-320-1450; fax 615-320-1453. Please make a note of it.

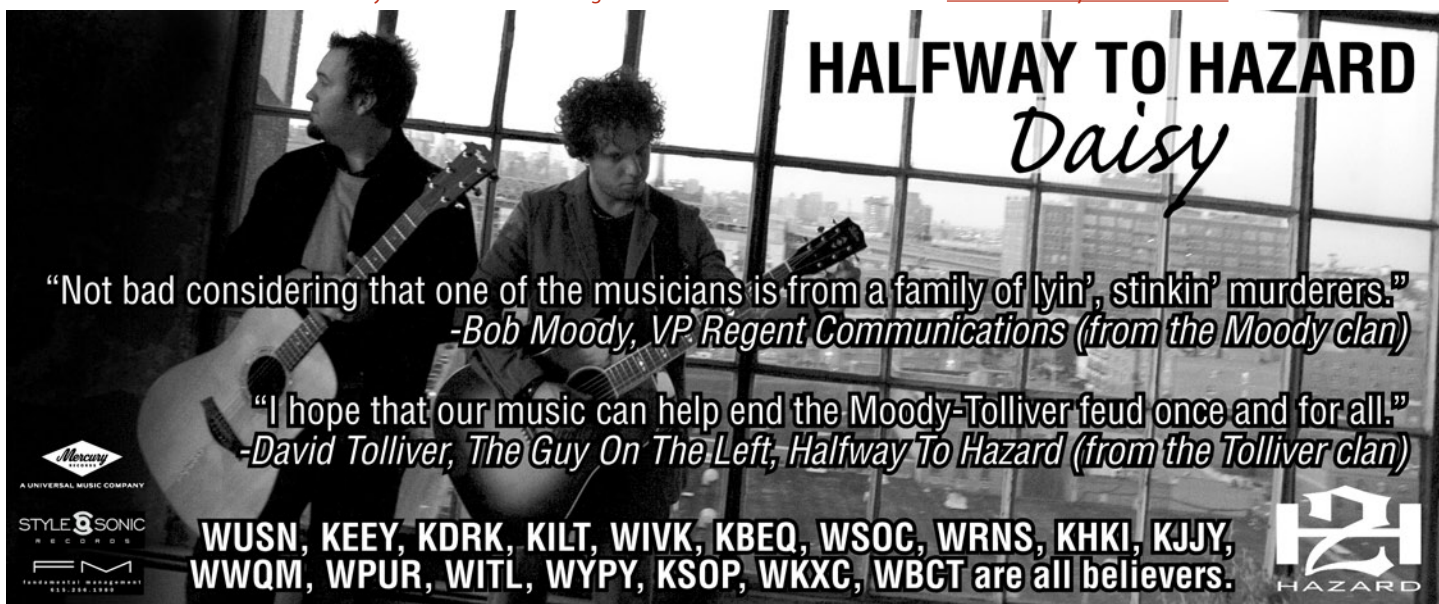

Arbitron's February PPM results show WXTU/Philadelphia with a 12+ cume of 774,400 – a huge increase over the 428,300 cume the Beasley Country outlet posted in the Fall 2006 Arbitron. WXTU's Fall '06 12+ shares were a seventh place 3.7. WXTU posted a fifth place 25-54 4.1 last fall. In the Feb. PPM, 'XTU ranked fifth 12+ with a 6.8 and fifth 25-54 with a 7.9.

One huge caveat here: Clear Channel's Philly stations were not encoded until Feb. 23 and do not show up in this report. In the Fall Arb, two CC stations, Urban AC WDAS and Urban WUSL, ranked ahead of WXTU.

WXTU PD **Bob McKay** noted an interesting comparison available with the PPM. **Kenny Chesney** concert tickets went on sale March 3. WXTU ran "win it before you can buy it" contests for the tickets on Feb. 27 and 28. The 2pm PPM AQH Persons on Monday, Feb. 26 was 116,900. On the 27th, the 2pm PPM AQH hit 133,300 – a leap traced right to the Chesney promotion.

Another interesting thing to note is that the PPM measures 6+ instead of the traditional 12+. In the 6-11 age breakout (sounds funny, doesn't it?), WXTU ranks *third*

with an 11.0 share. Its 6-11 cume is 65,500. "All we can determine is that kids wearing their PPM's are hearing us in their homes or in the car when riding with their parents," said McKay, who added, laughing, "We're going after the Disney money!" WXTU's 6+ totals are a cume of 839,900 and a share of 6.9, good for fifth place.

By the way, the Fall '06 book was Philly's last diary-based survey. McKay noted that the Winter book, to be released April 25, is when "the PPM becomes our currency." And, starting this week, McKay will begin receiving *weekly* ratings reports every Friday at 10am. There go the weekends.

Tomlin Promoted At WFUS; Air Staff Shuffle

Clear Channel/Tampa Programming Dept. staffer **Erik Tomlin** has been promoted to APD/MD of Country WFUS. He assumes those duties from PM driver **Paul Koffy**, who has moved to Atlanta to handle middays at CC Country sister WUBL. Koffy will also now be heard middays on WFUS. That has precipitated an on-air shuffle at WFUS, as PD **Travis Daily** heads from middays to PM drive where he'll be joined by **Jenny Dean** of the *Skip Mahaffey Morning Show*. **Norm** continues in nights, with *After MidNite with Blair Garner* remaining in the overnight slot.

WOGI/Pittsburgh Adds Anthony As PD

Cumulus Oldies WSOX & AC WARM/York, PA Director/Programming **Dave Anthony** has been hired as PD for Keymarket Country WOGI/Pittsburgh, effective April 9. Anthony replaces **Mark Lindow**, who joined Citadel WSJR/Wilkes Barre-Scranton as PD last month. Michaels was PD of KXBZ/Manhattan, KS in 1994 when he joined KBEQ/Kansas City as Promotions Director. He joined KZKX in 2004.

Hasty Leaves Wilks/KC

Wilks/Kansas City Market Manager **Herndon Hasty** resigned last Friday. No replacement has been named. The 27-year market vet had been overseeing Country combo KBEQ & KFKF, Top 40 KXMV and AC KCKC, first for CBS Radio and then for Wilks since its LMA of the properties last Nov. 1. Hasty was VP/GM of the AC and Top 40 outlets when he added the two Country stations in Dec. 2004.
