"The early response to 'WHAT KINDA GONE' is very positive. It's classic Cagle - an uptempo, straight-ahead Country song about love gone bad. - FRANK BELL - WOGI/PITTSBURGH

"Chris just played a sold out show as the headliner and broke the attendance record at the Longbranch with 4600 people thru the doors raising nearly \$20,000 for the SPCA. Cagleheads are a passionate bunch and blow the phones and e-mail up with requests for 'WHAT KINDA GONE'" - LISA MCKAY - WQDR/RALEIGH

"I really can't get 'WHAT KINDA GONE' out of my head and apparently B-105 listeners can't either." - TRAVIS MOON - WUBE/CINCINNATI

No Leno For Best Seller Garth

Typical Monday. We told you last week that an unprecedented 1pm taping of the *Tonight Show with Jay Leno* had been arranged to accommodate an appearance and performance by **Garth Brooks**. Following the taping, Brooks was to jet to Kansas City for the first of nine shows at the Sprint Center. The writers' strike now underway in Hollywood has dashed those plans, however, with NBC now planning to air a week's worth of *Tonight Show* reruns.

The news wasn't all bad for Garth today, what with this morning's RIAA presentation in Hollywood. Brooks was honored as the top-selling solo artist in U.S. history with more than 123 million albums sold. Among new awards presented were Diamond trophies for *Sevens* and *Garth Brooks*, a 21 million cert for *Double Live*, nine million for *The Chase*, seven for *Fresh Horses*, and three for *The Lost Sessions*. During the event, the ACM presented Brooks with the newly-created Crystal Milestone Award in recognition of his sales achievements.

WDRM Flips To "Garth 102.1" For A Day

Clear Channel WDRM/Huntsville will be transformed into "Garth 102.1" at 7:20am Tuesday morning (11/6). Teasers of a "major announcement" began on Nov. 1 and will culminate tomorrow morning with word of the flip to "All Garth" being made by the WDRM "GM" identified as "Charlie Cook" – the same name, of course, as Cumulus' VP/Country. It'll be all GB music until midnight, with IDs and liners plus drops from the G-Man signaling when to call in to win *The Ultimate Hits* package along with a chance to go to a concert in Kansas City.

Hot Air: It's interesting to note that WDRM PD **Jim Tice** tweaks the Cumulus VP/Country a little by dubbing the "GM" as "Charlie Cook." After all, while Cumulus does own some Huntsville properties, none are Country. Is there more here than meets the ear?
