Duke Wright's Midwest Communications, Inc. is a privately owned radio company devoted to the endeavor of presenting the best local broadcast product possible. Battle Creek is the world headquarters of Kellogg, and thus the name, Cereal City. Yes, it's a sweet-smelling place and it's GREAT! Sorry, couldn't resist.

Please email your resume, audio, history, references, cover letter and anything that best represents your talent and skills to: jd.justice@mwcradio.com.
